

Worcester Acute Emergency Department invites you to attend: Tackling Domestic Abuse

A priority for us, a priority for you!

Working together to make a difference. A **FREE** Awareness Event for everyone.

Wednesday 28th November 2018 9am - 1pm

Charles Hastings Education Centre, Worcestershire Royal Hospital, WR5 1DD.

The morning will include talks by Public Health, Women's Aid, Acute Staff, Safeguarding team, a domestic abuse lawyer and importantly the powerful voices of survivors of abuse. The event will provide delegates with a better understanding of the dynamics of abuse and coercive control and the confidence to "Ask the question" and how to signpost.

1:4 women and 1:6 men will experience domestic abuse. Domestic abuse can happen to anyone. Come along and see how you can support a patient, friend, work colleague or someone you know. Tackling domestic abuse is EVERYONES business. Please confirm your attendance to lyn.roche@nhs.net Events Coordinator.
