

## Autism Engagement Event

We are working to refresh Worcestershire's Autism Strategy. Please come along to our engagement event on

**Monday 19<sup>th</sup> November, 1:30 – 4pm, in the Council Chamber at County Hall.**

There will be presentations 1:30 – 3pm about the National Autism Strategy, our local strategy – what we have achieved so far and what we want to do next.

From 3 – 4pm people can drop in to input to the strategy and look at information stands.

We also have a low stimulation room within County Hall from 1:30 -4pm where people can come and input to the strategy who may not want to come to the main meeting.

If you would like to attend or have a stand at the meeting please contact [autismgroups@worcestershire.gov.uk](mailto:autismgroups@worcestershire.gov.uk)

We are planning an evening event for people unable to attend during the day and some other day time drop in sessions. Please let us know if you would like more information on one of these.

Please share with anyone you think would like to attend.
